

# 10 Tips

## One Reason

- 1** Define your defensible space.
- 2** Reduce flammable brush around your home and under nearby trees.
- 3** Prune or remove trees.
- 4** Keep grass and weeds cut low.
- 5** Clear wood piles and building materials away from your home.
- 6** Keep your yard and roof clean.
- 7** Keep address signs visible.
- 8** Choose fire-resistant building materials and lawn furniture.
- 9** Recycle yard debris – avoid burning.
- 10** Be prepared to respond to wildfire.

# Developing Long-Term Wildfire Prevention & Education Strategies

## Prevention

Partnering with local communities and fire agencies, Project Wildfire facilitates the implementation of Community Wildfire Protection Plans (CWPPs) that identify areas at risk and prioritize them for hazardous fuels reduction treatments.

## Education

- Development and implementation of the FireFree Program - an educational program that teaches residents how to prepare their homes for wildfire
- Presentations to neighborhoods and community groups
- Educational articles, magazines and materials
- Speaking engagements at local, state and national conferences
- Participation in community events
